

## 2009 Presentations

### **Are students 'blending' their learning? A pilot study of IT use by medical students at IMU**

Jayasinghe S, Ching D, Menon V, Tai KS, Kew ST

Poster presentation, IMEC 2009, Kuala Lumpur, Malaysia

### **Community oriented project: students' perception on it's usefulness**

De Alwis WR, Lee N

Poster presentation, IMEC 2009, Kuala Lumpur, Malaysia

### **Consistency of the double marking in assessemnts for undergraduate medical students**

Cho MN, Khin W, Yadav H

Oral presentation, IMEC 2009, Kuala Lumpur, Malaysia

### **Exploring Chinese patients' perception of medical students training in Malaysian General Practice clinics**

Kwa SK, Loh KY, Teow KKL, Gan JGCY, Lee SY

Oral presentation, IMEC 2009, Kuala Lumpur, Malaysia

### **Foundation module-medical and dental students' perception of learning together**

Khoo SP, Babar MG, Toh CG

Poster presentation, IMEC 2009, Kuala Lumpur, Malaysia

### **How significant is the parental history of diabetes? Clinical realities and student perceptions**

Mok ML, Ngu MDB, Lim PK, Salvanayagam S, Jayasinghe S

Poster presentation, IMEC 2009, Kuala Lumpur, Malaysia

### **Innovation in teaching through interactive quiz sessions in the pre-clinical phase of undergraduate medical programme**

Pasupathi TM, Chakravarthi S, Tay A, Singh V

Oral presentation, IMEC 2009, Kuala Lumpur, Malaysia

### **Learning issue's in PBLs: do learners achieve the expected?**

Perera J, Thanikachalam PM, Chakravarthi S, Nagaraja HS, Lee N

Poster presentation, IMEC 2009, Kuala Lumpur, Malaysia

### **Mini-CEX: inter-examiner variability and a comparison with 'Long-Case' performance**

Jayasinghe S, Tai KS, Kew ST, Cheong SK, Das Gupta E, Khajotia R, et al.

Poster presentation, IMEC 2009, Kuala Lumpur, Malaysia

### **Mini-CEX or the 'Long-Case'? Student perceptions of a new formative assessment at IMU Clinical School**

Jayasinghe S, Kew ST, Chin SP, Khajotia R, Tai KS, Cheong SK et al.

Oral presentation

### **PBLs or large-group Lectures? A comparison of student performance in assessment**

De Alwis WR, Lee N

Oral presentation, IMEC 2009, Kuala Lumpur, Malaysia

**Readiness for housemanship training among medical students in International Medical University (IMU)**

Yeap R, Zuhrah B, Yadav H

Poster presentation, IMEC 2009, Kuala Lumpur, Malaysia

**Reflections of a novice Problem Based Learning (PBL) group**

Perera J, Perera J, Achike FL

Poster presentation, IMEC 2009 (IMU\_RHIME), Kuala Lumpur, Malaysia

**Reflections on an e-learning tool for acquiring learning domains in an outcome-based curriculum**

Maung M, Azman A, Norhasliza H

Oral presentation, IMEC 2009, Kuala Lumpur, Malaysia

**Resolving the problem with PBLs: let's go fly a kite!**

Hla YY, Radhakrishnan A, Ponnudurai G

Oral presentation, IMEC 2009 (IMU\_RHIME), Kuala Lumpur, Malaysia

**Role of computer-based formative test with feedback on students' learning process in an undergraduate, multi-disciplinary and integrated musculoskeletal system module**

Kumar NM, Nagaraja HS, Lee N

Oral presentation, IMEC 2009, Kuala Lumpur, Malaysia

**Self-esteem and social skills: perception of private medical university students**

Subhaya NM, Lee N, Yadav H

Oral presentation, IMEC 2008, Kuala Lumpur, Malaysia

**Students' perception on the Community and Family Case Study (CFCS) programme among clinical students**

Yadav H, Lee N, Veerasingam K, IMEC 2009, Kuala Lumpur, Malaysia

Poster presentation

**Student perception of their educational environment: can 2.5 years make A difference?**

Nadarajah VD, Fang BL, Lim VKE

Oral presentation, IMEC 2009, Kuala Lumpur, Malaysia

**The DIY – PBL: An innovative in interactive learning**

Hla YY, Judson JP, Ponnudurai G, Chen YS, Wai N, Azman A

Poster presentation, Asia-Pacific PBL conference, Bandung, Indonesia, 2009

**The drama in forensic medicine - an innovative learning and assessment tool**

Tay A, Singh V, Pasupati T, Chakravarthi S

Oral presentation, IMEC 2009, Kuala Lumpur, Malaysia

**The performance of students in end of Semester 7 and 9 Surgery Examinations in IMU Clinical School: a prospective evaluation over a two-year period**

Loh KY, Wijesuriya L, Yushak AW, Palayan K, Ramesh J

Poster presentation, IMEC 2009, Kuala Lumpur, Malaysia

**The SMART way to humanise medicine**

DMani S

Oral presentation, IMEC 2009, Kuala Lumpur, Malaysia

**To determine the IMU students' perception of learning communication skills in history taking with a real patient versus a simulated patient**

Amirthalingam Sasikala Devi, Sow Chew Fei, Ramanathan Subramaniam

Poster Presentation, IMEC 2009, Kuala Lumpur, Malaysia

**To evaluate the contents of modified essay questions (MEQ) for testing higher order cognitive skills**

Rani S, Sivalingam N, Khajotia R, Loh KY, Elango S

Oral presentation, IMEC 2009, Kuala Lumpur, Malaysia

**Using simulated patients in Orthopedic OSCEs is associated with higher scores: a retrospective analysis of Orthopedic OSCEs in IMU Clinical School**

Shong HK, Loh KY

Oral presentation, IMEC 2009, Kuala Lumpur, Malaysia
